

COOKIE POLICY

To make this site work better, sometimes we install small data files called “cookies” on your device.

What are cookies?

A cookie is a small text file that websites save on your computer or device while you visit them. Using cookies, the site records your actions and preferences (for example, login, language, character size and other view settings) so that you don't have to re-enter them when you return to the site or go from one page to another.
